A World Fit For Children
We are the World’s children.
We are the victims of exploitation and abuse.
We are street children.
We are the children of war.
We are the victims and orphans of HIV/AIDS.
We are denied good-quality education and health care.
We are victims of political, economic, cultural, religious and environmental discrimination.
We are children whose voices are not being heard: it is time we are taken into account.
We want a world fit for children, because a world fit for us is a world fit for everyone.
“In this world, we see respect for the rights of the child: we see an end to exploitation, abuse and violence, we see an end to war, we see the provision of health care, we see the eradication of HIV/AIDS, we see the protection of the environment, we see an end to the vicious cycle of poverty, we see the provision of education, we see the active participation of children, we pledge an equal partnership in this fight for children.”

Helping Children Since 1998

R.E.A.CH International began its efforts in January 1998 with the sponsorship of one little four year old boy from St. Lucia named Junior. He had been abandoned by his family and forced to live on his own. Through our support, Junior was provided with essential needs: food, shelter, health care and education.

From these humble beginnings, R.E.A.CH International has grown to become a recognized and registered Canadian charity whose efforts assist the poor right here in Canada and in countries such as St. Lucia, Tanzania, Ethiopia, & San Salvador. Along with much needed financial support, we provide school supplies, books, uniforms, vitamins, medicine, health care, clothing, tuition bursaries, tutoring, computers and other necessities.

R.E.A.CH strives to focus on efficient and effective delivery of funds and programs that directly impact the poor, with the goal of helping individuals and families help themselves.

Your sponsorship donation assists R.E.A.CH in providing the poor with...

- Education
